Bandlist:

- I. **Jeremy Lindemann** – „Death And Mourning“
(USA, www.myspace.com/jeremylindemann)

Information:

J. Lindemann is the soundtrack alter ego of Remy Brecht, member of such bands as Phallus Uber Alles (digital hardcore), Slave Cylinder (noise), iSv (8-bit/glitch), and more.

- II. **Camp Z** – „Black Machine“
(France, www.myspace.com/zorchcamp)

Information:

The project is mainly a post punk way of doing music, featuring some strong old school influences mixed with modern approaches. Camp Z proposes a constant evolution in the way of shaping its music but also remains consistent with its image and identity.

- III. **Liveevil** – „Extasy“
(Czech Republic, www.myspace.com/liveevilband)

Information:

Song „Extasy“ appeared on the album "Arctangel" which was released on 15th of March 2007.

At this moment, Liveevil is recording a new album that will come out in the spring/summer 2009.

Songwriter (music and lyrics): Petr Stanek

IV. **LAHO** – „Rebirth“
(Finland, www.myspace.com/lahomusic)

Information:

LAHO is a one man's industrial metal project formed by Konsta Vehkala in 2006.

The EP "The Other Side" (including "Rebirth") is available as CD and free download.

His new Album "Escape from a dying star" will be released in April 2009.

V. **H. Zombie** – „Inner Fears“
(Spain, www.myspace.com/hzombie)

Information:

H. Zombie has been playing since he was a teenager, in many bands (Naught Zombies, The Rockin' Pneumonias,...) that makes him grow as guitar player.

He released his solo project, a five songs' EP mixing different styles and including collaborations.

VI. **Deep Decay** – „Purge“
(Great Britain, www.myspace.com/deepdecay)

Information:

Deep Decay was founded by Steve "Killer Riffz" Hardy and a few friends in September 1999. Musically Deep Decay combines dark, unique industrial atmospherics with killer metal riffz and snarling vocals.

VII. **Pink Industrial Whores** – „Porno Transformer“
(Australia, www.myspace.com/Pinkindustrialwhores)

Information:

Pink Industrial Whores began as a solo side project of guitarist / vocalist Ziggy Diva in early 2007. Combining elements of fast paced industrial metal with the toxicity of a unique cyber-glam image, Pink Industrial Whores quickly drew the interest and devotion of audiences both locally and overseas.

IX. Minority Sound – “Primary Slave, Secondary Master”

(Czech Republic, www.myspace.com/minoritysoundczech)

Information:

The project was established in 2007 by Ota (ex - Rites of Undeath, Apocryphal death, Poppy Seed Grinder) and Gulesh (ex-Return of Innocence, Ex-Rites of Undeath) as a private project to express the feeling of the Fear Factory machine, Psytrance based electronics and Pain-like atmosphere.

X. Notes From Underground – „Game“

(Spain, www.myspace.com/enefeu)

Information:

“Game” is from the forthcoming Notes From Underground release “Crossing the Rubicon”.

The album (which will be released in May 2009) contains eleven killer songs with catchy choruses and eight remixes from bands like ‘Das Ich’, ‘KMFDM’ or ‘Front Line Assembly’.
